

Secure Standard (LC999)

The secure check offers you a distinctive design and provides the security features you need to protect from fraud. The heat sensitive keyhole thermochromic icon and chemical wash warning box are just a few of the many security features contained in these checks.

- Header Information (up to 5 lines)
- Bank Imprint
- Fractional Number
- Arabic Number
- Consecutive MICR Number
- Routing and Transit Number
- Account Number
- Keyhole Thermochromic Icon
- Padlock Icon w/Security Features
- Chemical Wash Warning Box
- Microprint Endorsement Lines
- Non-Check Panel Text
- Check Number on Panels
- Available with One or Two Signature Lines

The image displays three variations of the TRA Demo School check. The top check is a blank check with a header section for school information and a table for transaction details. The middle check features a keyhole thermochromic icon and a chemical wash warning box. The bottom check is an office copy with a similar layout but includes a 'PAYER' section and a 'CHECK NUMBER' field.

Color Options

Hologram Secure (HC100)

A hologram is a three dimensional metallic image fused to the secure check paper. Holograms are one of the most unique and effective deterrents to forgery. The advanced optical technologies used have two main advantages: they are instantly recognizable to the naked eye and uniquely resistant to counterfeiting. Hologram secure checks are the premier choice when protecting official documents from forgery.

The image displays three views of a Hologram Secure (HC100) check from TRA Demo School. The top view is the back of the check, showing fields for Description, Purchase Order Number, Invoice Number, Account Number, and Amount, along with a date and check number field. The middle view is the front of the check, featuring a large, metallic, three-dimensional hologram in the center. The bottom view is an 'OFFICE COPY' of the check, showing the same fields as the back view but with a smaller, less prominent hologram.

- Header Information (up to 5 lines)
